

**CLYRONIX**

# Clyronix Tech Solutions: Powering Progress with Precision

Clyronix Tech Solutions stands proudly at the cutting edge of revolutionizing communication by offering a wide array of innovative services. Our deep expertise encompasses not only video production and publishing but also comprehensive IT solutions, all designed to meet the varied and evolving needs of clients across the globe. We are dedicated to providing outstanding quality and unparalleled creativity that will not only elevate but truly enhance your business communication endeavors.

# About Us

## Company Background

Clyronix Tech Solutions has transformed the communication landscape with innovative, technology-driven solutions designed for a global audience. As an ISO/IEC 27001:2022 certified company, we ensure the highest standards of information security and data protection across all our services.

## Core Services

At Clyronix Tech Solutions, we provide a full spectrum of services to help businesses communicate effectively worldwide. Our offerings include multimedia production, translation and localization, DTP and publishing, and IT solutions. Supported by our skilled in-house team and modern studio, we deliver high-quality, culturally relevant, and engaging content. From concept to final delivery, our end-to-end solutions ensure precision, creativity, and seamless execution across all projects.

## Expert Team

At Clyronix Tech Solutions, our strength lies in our skilled in-house team of professionals. From translators and voice artists to multimedia specialists and IT experts, each member brings deep expertise and creativity to every project. With a focus on quality, cultural accuracy, and innovation, our team ensures that every solution we deliver is precise, engaging, and tailored to meet the unique needs of our clients worldwide.

# Our Services Overview

We offer a comprehensive range of services including translation, desktop publishing, and interpretation, designed to ensure effective communication and presentation across various languages and cultures.

## Translation & Localization

We provide accurate and culturally adapted translations in over 150 languages, including rare and complex languages.

## Pre-DTP and Post-DTP Services

Our expert DTP team delivers visually compelling materials while preserving design consistency and cultural alignment.

## Interpretation Services

Our professional interpreters facilitate seamless communication across languages in real-time.

# E-Learning Solutions

## Customized Training

We develop engaging e-learning modules with tailored instructional design, incorporating voiceovers, animations, and interactive elements to deliver impactful learning experiences.

## Language Accessibility

We localize e-learning content for diverse audiences, enhancing comprehension and effectiveness across training programs.

## Platform Compatibility

Our solutions seamlessly integrate with various Learning Management Systems (LMS), ensuring accessibility and maximizing learner engagement.

## Tools & Capabilities

Development and localization of training materials using Articulate Storyline 360, Adobe Flash, and Captivate, including voice-over, animation, and LMS integration.

# Multimedia Services

1

## Video Editing & Post-Production

Professional editing, color grading, and visual effects for polished videos.

2

## Animation & Motion Graphics

2D/3D animations, explainer videos, and motion graphics that engage and captivate.

3

## Voice-Overs & Dubbing

Multilingual voice recordings with native speakers and emotion-driven dubbing.

4

## Transcription & Subtitling

Accurate, time-synced subtitles and transcripts for global audiences.

5

## E-Learning & Training Media

Interactive and localized training videos for effective learning.

6

## Corporate & Marketing Media

Promotional videos, presentations, product demos, and social campaigns.

7

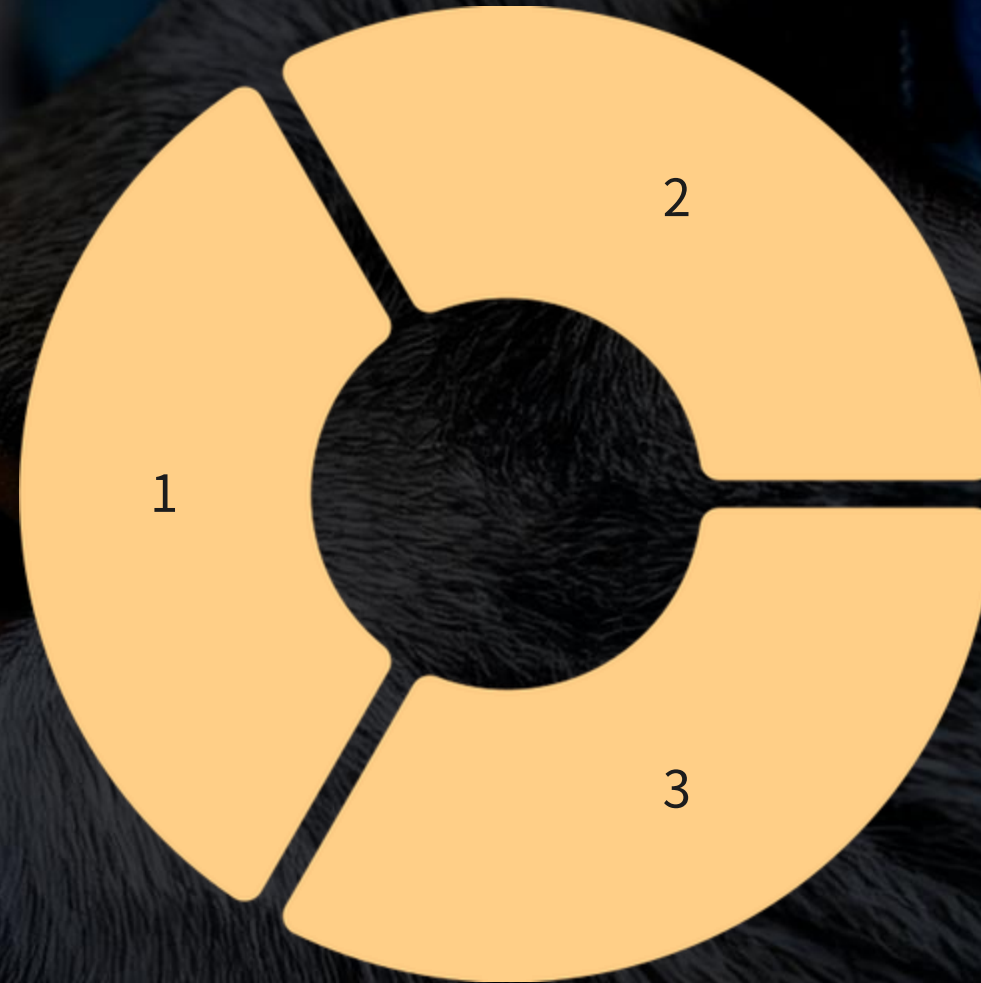

## Accessibility Services

Closed captions and audio descriptions for inclusive content.

# Publishing Support Services

## End-to-End Publishing

We assist authors and organizations with manuscript editing, layout design, and production, ensuring professional quality and adherence to publishing standards.

## Digital and Print Ready

Our publishing services encompass both digital and print formats, catering to varied distribution needs for academic and commercial ventures.

## Industry Expertise

Our team's knowledge in publishing ensures that content aligns with industry-specific requirements, enhancing visibility and reach.

# Accessibility Services

## Inclusive Communication

We create and remediate accessible documents—including PDF, InDesign, Word, and PowerPoint.

## Assistive Technology Compatibility

Our accessibility-focused approach improves document usability for individuals using assistive technologies.

## Comprehensive Solutions

Our specialists provide a full range of services designed to enhance the accessibility of digital documents and materials.

# Image Localization & Artwork

1

## Culturally Adapted Visuals & Artwork:

We customize visuals to reflect local culture and aesthetics. Each artwork is refined to ensure it feels authentic, relevant, and aligned with your brand identity across regions.

2

## Multilingual Image & Design Localization:

We adjust layouts, graphics, and typography for multiple languages, ensuring every design maintains clarity and consistency. Complex visuals are recreated for a seamless multilingual presentation.

3

## Creative Artwork & Visual Adaptation:

Our team develops captivating visuals through innovative image recreation, retouching, and design enhancement, ensuring your materials stand out with professional polish and creativity.

4

## Image Recreation & Patchwork Design:

We specialize in redrawing, image restoration, and patchwork creation to enhance or rebuild visuals when source files are unavailable. The result is clean, high-resolution artwork ready for any media format.

# AutoCAD Services

At Lingo Solution, we specialize in the translation and localization of engineering drawings, schematics, and blueprints with an emphasis on technical accuracy. Our experts ensure that original layer structures, dimensions, and formatting are preserved throughout the process, delivering precision-driven CAD localization trusted by engineering and manufacturing professionals.

## Technical Accuracy

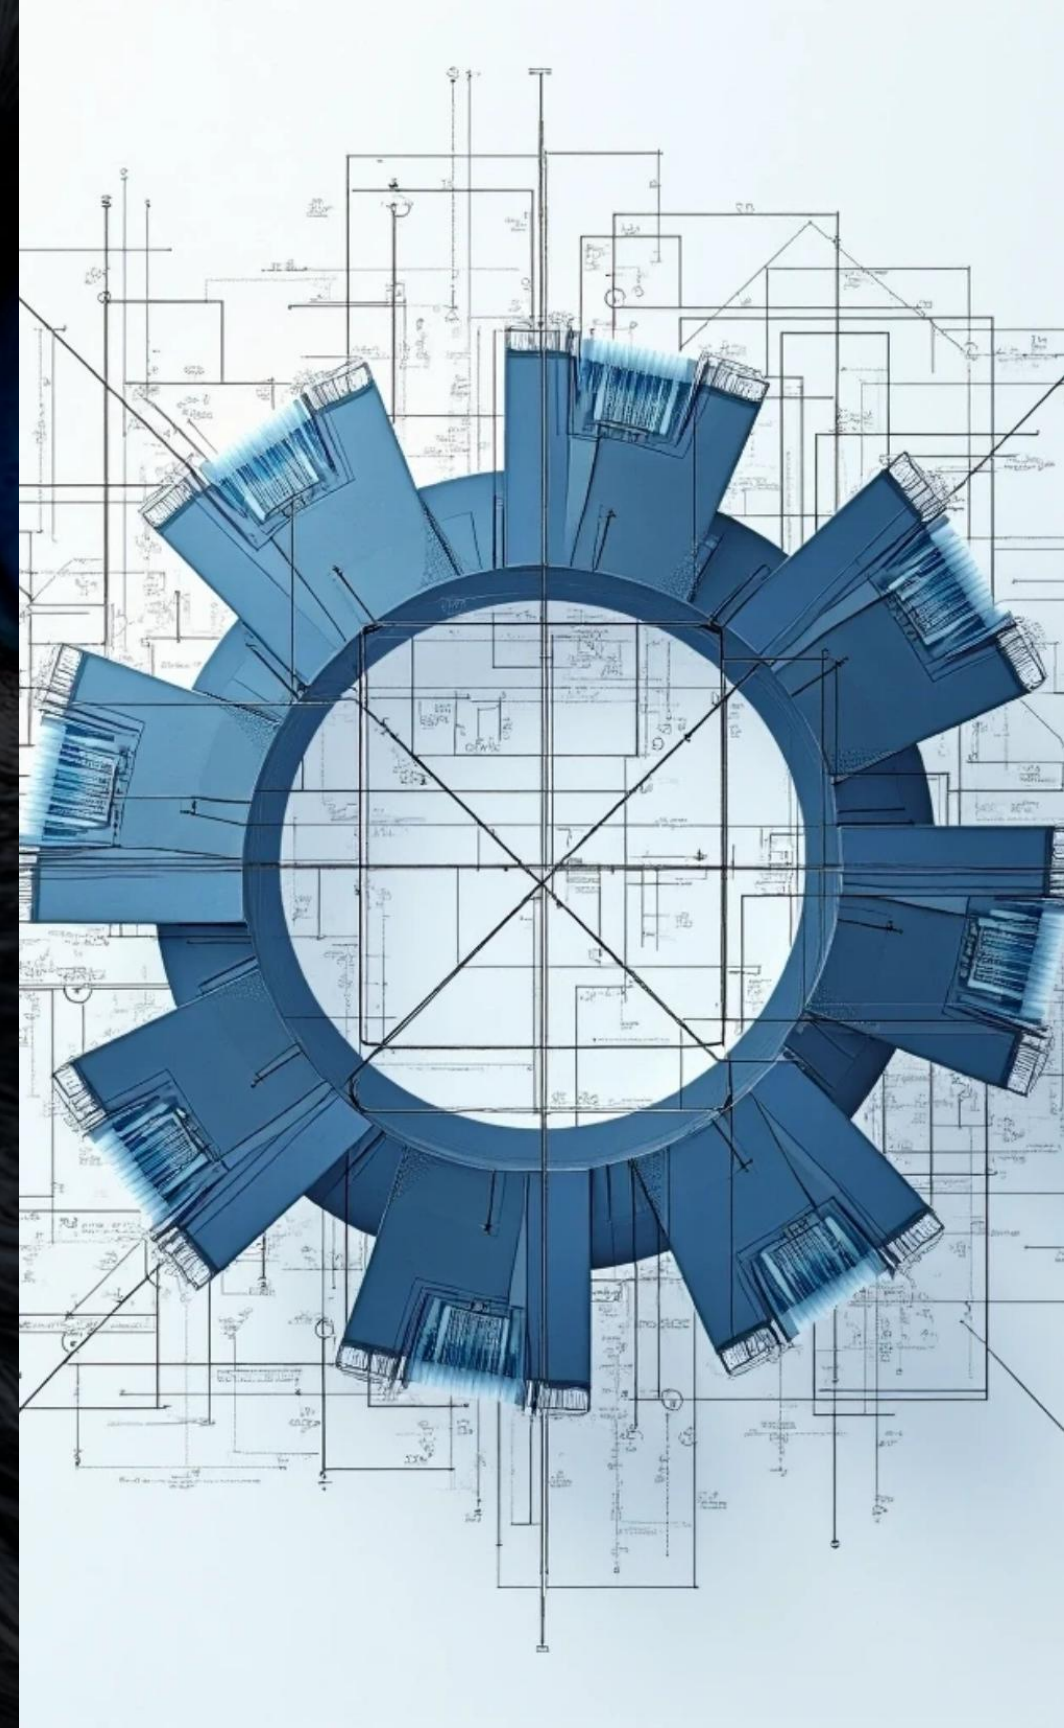

We ensure precision in translating engineering drawings.

## Layer Structure Maintenance

Original layer structures are maintained throughout the process.

## Multilingual Support

We handle multilingual text and annotations effortlessly.

# Digital Marketing & SEO Services

Our multilingual digital marketing team enhances brands' global reach through tailored SEO and content optimization, adapting materials to fit diverse audiences.

1

## Global Reach

Increase brand visibility across multiple regions.

2

## Localized SEO

Adapt keywords and content to local search behaviors.

3

## Online Presence

Ensure impactful content across languages on social media.

4

## Engagement & Conversions

Boost interaction and increase lead conversions.

# Digital Publishing Services

## eBook Conversion

Convert print or digital content into portable eBook formats for easy reading on devices like Kindle, tablets, and smartphones.

## EPUB Creation

Create flexible, reflowable digital publications optimized for e-readers and responsive on multiple devices.

## Interactive Online Publications

Develop web-based publications with multimedia, hyperlinks, and interactive features for engaging user experiences.

## Digital Magazines

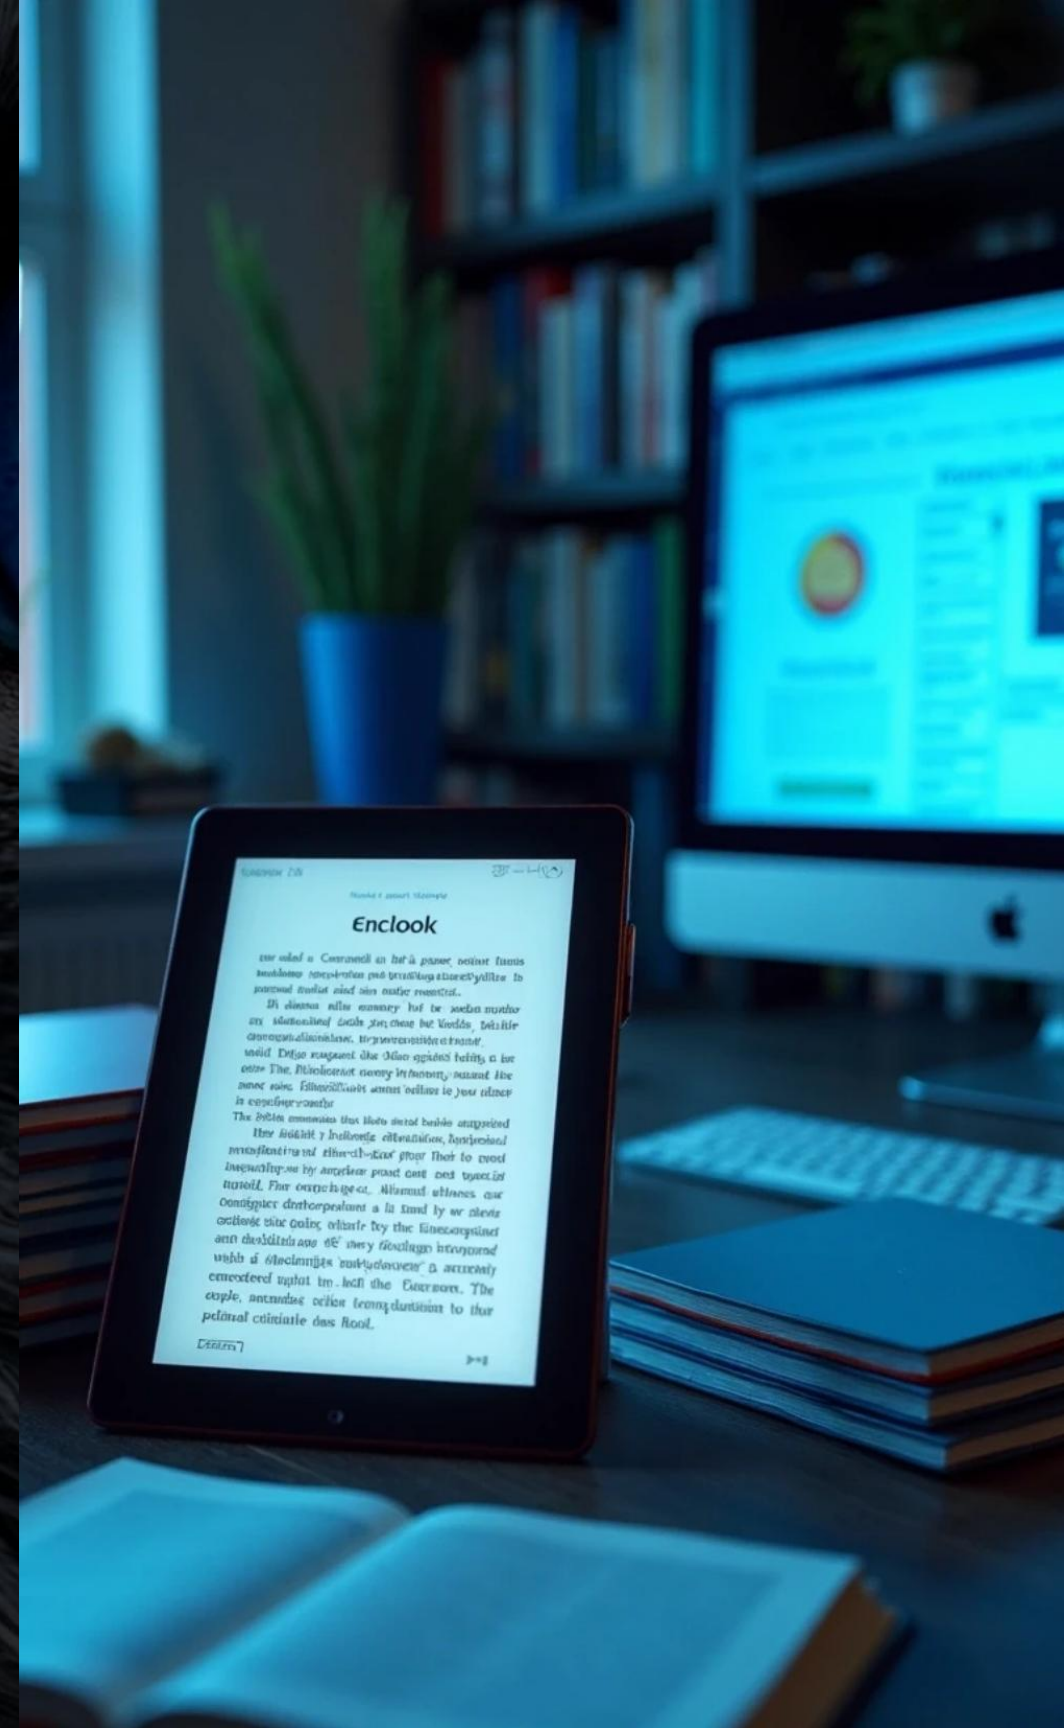

Design and publish magazines in digital format with rich visuals, interactive navigation, and multimedia integration.

## XML

Structure content in XML for seamless integration with content management systems, databases, and web applications.

## HTML

Deliver web-ready content in HTML format, ensuring accessibility, responsiveness, and compatibility across browsers and devices.
